HOA CORNER.....○

It's a blast to dress up in costumes, go trick-or-treating, attend parties and, most of all, eat candy! At the same time, Halloween can be scary for parents. We offer these tips to help make everyone's Halloween safe:

H - Hold a flashlight while trick-or-treating to help see and help others see you.

A - Avoid trick-or-treating alone. Children should walk in groups or with a trusted adult.

L - Look both ways before crossing the street. Use established crosswalks wherever possible.

L - Look out for trick-or-treaters while you're out and be sure to drive safely in neighborhoods.

O - Only walk on sidewalks or on the far edge of the road facing traffic to stay safe.

W - Wear well-fitting masks, costumes and shoes to avoid blocked vision, trips and falls.

E - Eat only factory-wrapped candy.

E - Examine all treats for choking hazards and tampering before they're eaten.

N - Never walk near lit candles or other open flames. Be sure to wear flame-resistant costumes.

If you have any questions please contact C.I.A. Services, Inc. at CustomerCare@ciaservices.com or 713-981-9000.

Thank you,
CCRCA Management Team

LOAM CSA PROGRAM

The CSA is a weekly share of locally, sustainably grown produce delivered to you, and grown here in Fort Bend County. Members sign up online at Loamagnomics.com for a weekly share of seasonal produce and it's delivered to the community room here at CCR. It's \$30 a week, with weekly recurring payments. Each box contains 8-10 varieties of nutritious, delicious produce. This program is an intimate relationship between the community and the farmer. You will receive a weekly newsletter telling you what's in your box, current events at the farm, storage techniques, member in residence blog, recipes curated by local chefs and invites to member events on our farm. If you are going out of town on vacation or can't pick up your box for whatever reason you can simply login to your account and put your share on hold. It's very flexible, and user friendly. Why register? Not only are you providing your family with a nutrient rich, delicious box of produce, but you are also supporting the growing local food movement in our region. Plus, you'll receive the convenience of having the farm share delivered right here to CCR!

***PICK UP WILL BE EVERY WEDNESDAY FROM 12:00PM-5:00PM IN THE COMMUNITY ROOM LOBBY.**

BIRDING IN CROSS CREEK RANCH

With over 200 birds observed this year in Fort Bend County, you can expect to find many of them in Cross Creek Ranch. One of the many interesting birds you may find throughout the year is the Ibis. While most commonly seen from spring to fall, the long down-curved bill makes this bird unmistakable. They are often seen in marshes or flooded fields. The White Ibises and Glossy Ibis pictured here were seen after a hard rain in August, in one of the flat open fields in our community. The mottled bird you see is a juvenile White Ibis The darker Glossy Ibis is an uncommon sighting. Cross Creek Ranch offers an inviting habitat for a large variety of species. You may be surprised what you find if you are really looking. You can learn more about birds seen in our area at www.ebird.org, or via Cornell Lab's eBird app, where you can also share your own sightings.
