NATIONAL NIGHT OUT EVENT RECAP

National Night Out is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make our neighborhoods safer, more caring places to live. National Night Out enhances the relationship between neighbors and law enforcement while bringing back a true sense of community. To kick off this awesome event, Cross Creek Ranch hosted Coffee with a Cop on Saturday, September 29th. This was a great way for people in the neighborhood to come together and meet the wonderful men and women that serve the community. They enjoyed donuts and coffee and listened to Chief of Police, Kenny Seymour give a brief presentation about National Night Out. On Tuesday, October 2nd, different sections in the neighborhood hosted block parties and the Fulshear Police Officers stopped by to meet the rest of the neighborhood. Officer McCann was on site to take picture along with K9 "Belle".

LOAM CSA PROGRAM

The CSA is a weekly share of locally, sustainably grown produce delivered to you, and grown here in Fort Bend County. Members sign up online at Loamagronomics.com for a weekly share of seasonal produce and it's delivered to the community room here at CCR. It's \$30 a week, with weekly recurring payments. Each box contains 8-10 varieties of nutritious, delicious produce. This program is an intimate relationship between the community and the farmer. You will receive a weekly newsletter telling you what's in your box, current events at the farm, storage techniques, member in residence blog, recipes curated by local chefs and invites to member events on our farm. If you are going out of town on vacation or can't pick up your box for whatever reason you can simply login to your account and put your share on hold. It's very flexible, and user friendly. Why register? Not only are you providing your family with a nutrient rich, delicious box of produce, but you are also supporting the growing local food movement in our region. Plus, you'll receive the convenience of having the farm share delivered right here to CCR!

***PICK UP WILL BE EVERY WEDNESDAY FROM 12:00PM-5:00PM IN THE COMMUNITY ROOM LOBBY.**

THE MOST IMPORTANT ADVICE ABOUT AUTUMN

Joseph Keefe- Bartlett Arborist Representative

"One of the most common issues I see in our area is soil that lacks the nutrients needed to sustain trees. Inadequate soil conditions make it difficult for trees to grow and withstand stressors including insects, disease, and the unpredictable weather of winter.

With this in mind, I believe fertilization is the single most important proactive measure you can take in caring for your trees this season. Soil care and fertilization in the fall dramatically improve growing conditions and provide the nutrients for vital tree root development."
