This new home is a 5 bedroom, 4.5 bathroom 2-story built with stucco and stone exterior, located on a cul-de-sac homesite. Perfect for hosting, this home includes a spacious family room, a formal study with coffered ceilings and an open-concept kitchen with stainless steel appliances including double ovens and a large island. If you need to relax after a long day, head out to the covered back patio or retreat to your master suite which offers a spacious bathroom with dual sinks, double shower heads, and a walk-in closet. Work the day away in your formal study or cozy up by the fire in the family room. The 2nd bedroom downstairs is great for guests, with a private bathroom and walk-in closet. If entertaining is what you love to do, then the upstairs gameroom and media room is ideal! Complete with a 3-car garage, features are plenty in this home!
