

LAMARCISD

A PROUD TRADITION | A BRIGHT FUTURE

We're proud to say Lamar CISD is one of the fastest-growing school districts in Texas. Clearly, it's no longer a secret that Lamar CISD is a destination district for any family moving to the Greater Houston area.

Despite our fast growth and increasing enrollment, Lamar CISD is committed to small, individual learning environments. Our elementary schools are built for 750 students and our high schools are built for 2,000—providing even greater opportunities for our students to gain interests and get involved. Lamar CISD also has schools with Katy, Fulshear, Sugar Land, Richmond and Rosenberg addresses, giving you plenty of lifestyle options on the west side of Houston.

In Lamar CISD it's all about the kids. Every year Lamar CISD graduates attend colleges and universities across the nation and even abroad. In recent years, Lamar CISD has been home to four National Blue Ribbon schools, seven Gates Millennium scholars (all college expenses paid through doctorate) and

state champions in everything from football and basketball to wrestling, water polo, track and debate.

Without a doubt, Lamar CISD is a place with proud traditions and an even brighter future. I'd love to show you more about what makes our community special.

Feel free to check out our website at www.lcisd.org for the latest information. You can also connect with us on Facebook, Twitter, YouTube or Instagram, or call the Community Relations Office at (832) 223-0328.
